## Our Lady of Guadalupe 16th Century

**Feast—December 12**

Under this title, Our Lady is the patron of Mexico, the United States, and all of the Americas, as well as the protector of unborn children. In 1531, she appeared in a vision to the peasant Juan Diego on Tepeyac Hill near Mexico City and charged him with asking the bishop to build a church on that spot. But the bishop demanded a sign, so Our Lady had Juan gather flowers in his cloak in December to take to the bishop. When Juan opened his cloak, the colorful image of Guadalupe was emblazoned on the cactus cloth. That icon is preserved in the most famous shrine in the Western Hemisphere, and Our Lady of Guadalupe continues to inspire poor and oppressed people worldwide.

"Celebrating Mary is, first and foremost, remembering our mother, remembering that we are not and never will be an orphaned people. We have a Mother! And where there is a mother, there is always the presence and flavor of home. Where there is a mother, brothers and sisters may fight, but the sense of unity will always prevail. Where there is a mother, the struggle for fraternity will not be lacking. It has always impressed me to see, in different Latin American peoples, those struggling mothers who, often alone, manage to support their children. This is how Mary is. Mary is this way with us: we are her children: a woman who fights against the society of distrust and blindness, the society of apathy and dispersion; a woman who fights to strengthen the joy of the Gospel, who fights to give 'flesh' to the Gospel." (Pope Francis, homily on Monday, Dec. 12, 2016)

Virgin of Guadalupe,  
Patroness of unborn children,  
we implore your intercession  
for every child at risk of abortion.  
Help expectant parents to welcome from God  
the priceless gift of their child's life.

Console parents who have lost that gift  
through abortion,  
and lead them to forgiveness and healing  
through the Divine Mercy of your Son.

Teach us to cherish  
and to care for family and friends  
until God calls them home.  
Help us never to see others as burdens.

Guide our public officials  
to defend each and every human life  
through just laws.  
Inspire us all to bring our faith into public life,  
to speak for those who have no voice.

We ask this in the name of your Son,  
Jesus Christ, who is Love and Mercy itself.  
Amen.

## Nuestra Señora de Guadalupe, siglo XVI

### Fiesta—12 de Diciembre

Bajo este título, la Virgen es la patrona de México, los Estados Unidos y en todo el continente americano, así como la protectora de los niños por nacer. En 1531, ella apareció en una visión al campesino Juan Diego en el cerro del Tepeyac la cerca de la Ciudad de México y lo mando a pedir al obispo a construir una iglesia en ese honor. Pero el obispo pidió un signo, por lo que Nuestra Señora mando a Juan Diego a recoger las flores en su manto en diciembre para llevar al obispo. Cuando Juan abrió su manto, la colorida imagen de Guadalupe fue grabada en el paño de cactus. Icono que se conserva en el santuario más famoso en el Hemisferio Occidental, y la de Nuestra Señora de Guadalupe sigue inspirando a los pobres y oprimidos en todo el mundo.

"La celebración de María es, en primer lugar, recordando a nuestra madre, recordando que no somos y nunca será un pueblo huérfano. Tenemos una Madre! Y donde hay una madre, siempre hay la presencia y sabor de hogar. Donde hay una madre, hermanos y hermanas pueden luchar, sino el sentido de unidad siempre prevalecerá. Donde hay una madre, la lucha por la fraternidad no faltarán. Ella siempre me ha impresionado ver, en diferentes pueblos latinoamericanos, quienes luchan de madres que, a menudo solos, atender a sus hijos. Esta es la forma en que María es. María es este camino con nosotros: somos sus hijos: una mujer que lucha contra la sociedad de la desconfianza y la ceguera, la sociedad de la apatía y la dispersión; una mujer que lucha para fortalecer la alegría del Evangelio, que lucha para dar "carne" para el evangelio." (Papa Francisco, Homilía sobre el lunes, 12 de diciembre de 2016)

Virgen de Guadalupe,  
Patrona de los niños por nacer,  
imploramos su intercesión  
para todos los niños en riesgo de aborto.  
Ayudar a los futuros padres a acoger a Dios  
el don inestimable de la vida de su hijo.  
Los padres que han perdido la consola que don  
mediante el aborto,  
y conducirlos hasta el perdón y la sanación  
a través de la divina misericordia de tu hijo.  
Nos enseñan a cultivar  
y cuidar de la familia y los amigos  
hasta que Dios les llama a casa.  
Nos ayude a ver a los demás como cargas.  
Nuestra guía de funcionarios públicos  
para defender la vida de todo ser humano  
a través de leyes justas.  
Nos inspiren a todos a poner nuestra fe en la vida pública,  
para hablar por aquellos que no tienen voz.  
Te lo pedimos en el nombre de su Hijo,  
Jesucristo, que es amor y misericordia.  
Amén.
